Since being established in 1994 PWC GmbH has become an internationally successful and DIN EN ISO 9001:2008 certificated company conducting Doping Control tests at high performance and professional sports.
Collecting over 16.000 samples in training camps and competitions each year, we prove not only our experience and professionalism, but our reliability.
It is our goal to help keeping sports fair and clean all around the globe and by this protecting the incredible performances of the athletes.

Start as a **freelance Doping Control Officer**!

Your task:
You will be responsible to collect blood or urine samples from athletes.

Our requirements:
- Allowance to draw blood incl. official certification.
- Practical knowledge in drawing blood.
- A valid driver‘s license and an own car.
- Fluency in speaking and writing in English.
- Flexibility during the week as well as on weekends.

We offer you:
- A open and personal company culture.
- The PWC will train you to a Doping Controll Officer and start an intensive onboarding by our training team.
- We offer you an a attractive and exciting working environment.
- A fair payment.

You are interested in being a partner of sports and help with your work to keep sport fair and equalized? Then please send us your **application** to:

Samantha Clark
